Experience

- **Associate Professor & Head, Department of Artificial Intelligence & Machine Learning**,
  Mysuru Royal Institute of Technology, Mandya
- Former faculty at:
  - GSSS Institute of Engineering and Technology for Women, Mysuru
  - G Madegowda Institute of Technology, Mandya
  - D Banumaiah's Polytechnic, Mysuru
- **Total Teaching Experience:** 15+ Years
- **Research Experience:** 5+ Years

Qualifications

- **Ph.D.** – Visvesvaraya Technological University
- **M.Tech.** – PES College of Engineering, Mandya
- **B.E.** – Vidyavardhaka College of Engineering, Mysuru

Research & Publications

- Published **Patents & research papers in national and international journals and conferences** in the areas of **VLSI design, AI, and embedded systems**.
- Participated in and contributed to **research initiatives, FDPs, and technical workshops**.
- Involved in **interdisciplinary research combining AI and electronic systems**.

Research Interests

- VLSI Design
- Artificial Intelligence & Machine Learning
- Embedded Systems
- Internet of Things (IoT)
- Analog Circuit Design
- High Performance Computin

Leadership & Service

- **Head of the Department (AI & ML)** at Mysuru Royal Institute of Technology
- Organized **Faculty Development Programs and technical workshops**.
- Guided **undergraduate engineering projects and Ph.D student research activities**.
- Contributed to **academic administration, curriculum development, and departmental activities**.
